Thayer Deer Bill Reenacts Buck Law. What Thayer Deer Bill Seems To Do. Lawrence Feeley of 1432 Fultor, street trooklyn, quotes Williaton Maniey, editor i the St. Lawrence Plaindealer, Canton.

The big thing the Thayer bill does is this: It puts back the buck law. It cuts litteen days off the beginning of the present season making the open season from detober 15 to November 15 one month nated of a month and a half. It makes the open season in columbia, Dutchess and Hensselaer counties uniform with the Adirondacks and makes the open season for the counties of Uniter, Sullivan and Grarge the same as heretofors. The maner of taking is practically the same

What is "roiton" with that bill, Mr.
